## TESTIMONIALS

### *what our couples are saying...*

“Once again a huge, hearty thank-you to you for making the most amazing wedding for Ollie and Estelle. Certainly one of the best days of my life and therefore so much gratitude to you for making it so. Everyone I’ve spoken to said that everything was perfect and magical. Best wishes to you for all your future weddings. I’m sure you must know that you make so many people’s lives the happier for all the wonderful work you do.”

**Natalie Bown**

“Martin and I got married at Clavelshay Barn on Saturday 2nd June 2012 and had the most perfect day imaginable. We wanted a relaxed, rustic, country venue and Clavelshay provided exactly that. We booked our wedding a year in advance and Sue was fantastic in assisting with organising every aspect of the day from the marquee to the cheese cake. She really does have that personal touch.”
